

You care for your patients

You care for your family

PROOF - PLEASE CALL 1-800-387-7374 FOR ITEM # 89266

Take care of the people in your life.
Help put the odds on everybody's side. Get vaccinated for the flu.

Date	Time	Location

The following are members of high-risk groups and should be vaccinated: health care workers in long-term care facilities (LTCFs), hospitals, and outpatient settings; employees of LTCFs who have patient contact; and those who provide services within relatively closed settings to persons at high risk.*
